OBJECTIVE

To leverage my skills in full-stack development to build scalable applications, contribute to organizational growth, and continuously enhance my technical expertise.

EXPERIENCE

Cognine Technologies	Aug 2025 - present
- Developed and maintained scalable web applications using React.js, Node.js, Express.js, and Spring Boot - Designed and implemented RESTful APIs using Node.js and Spring Boot - Implemented secure authentication and authorization mechanisms - Debugged and resolved real-world application issues, improving performance and stability - Tested APIs and endpoints using Postman	

EDUCATION

Bachelor of Technology in Computer Science and Engineering	2021 - 2025
Rajiv Gandhi University of Knowledge Technologies-Basar	CGPA:7.91
Pre University Course	2019 - 2021
Rajiv Gandhi University of Knowledge Technologies-Basar	CGPA:9.07
SSC	2018 - 2019
TSMS Pothulaboguda-Sangareddy	GPA:9.8

PROJECTS

RGUKT CampusMate : *MongoDB, Express.js, React, Node.js, CSS*

Developed a MERN stack web app for students to access services (e.g., makeup, rentals, second-hand books) and share study materials (e.g., notes, previous papers). Implemented secure user authentication with JWT and bcryptjs, and a responsive UI using CSS.

Visitor Management System : *Node.js, Express.js, TypeORM, postgreSQL*

Developed a backend system to manage the end-to-end visitor lifecycle, including visit scheduling, QR-based check-in, and check-out. Designed and implemented RESTful APIs using Node.js and Express.js, and utilized TypeORM for efficient database operations and entity management with PostgreSQL. Implemented secure authentication using Microsoft Entra ID and built role-based access control (RBAC) to manage permissions across different user roles, ensuring secure and structured access to application features.

SKILLS

Technical Skills:

- Programming Languages:** Java
- Database:** : MySQL , MongoDB
- Front-end:** HTML, CSS, JavaScript, React.js
- Back-end:** Node.js, Express.js, SpringBoot
- Tools:** VS Code, Git, GitHub , Postman

Soft Skills: Problem Solving, Self-learning, Adaptability, Time Management

CERTIFICATIONS

- Web Development Internship Certificate – CODETECH IT SOLUTIONS
- SQL (Intermediate) Certificate - HackerRank

ACHIEVEMENTS

- Solved 200+ problems on leetcode.
- Earned 100-day and 50-day streak badges on LeetCode.
